## Dumpster Day a success

Thanks to all who made this day

a success. A special thank you to Bill Wasilewski for arranging for items to be picked up prior to Dumpster Day and for all his efforts in getting the items to the dumpster.

Remember to check our website, [stewardil.com](http://stewardil.com) for our 2018 CCR, the report about our water.

Snow plowing has already begun. Remember to have your vehicles and other items well off the streets and alleys.

## Holiday Decorating

## Contest 2019!

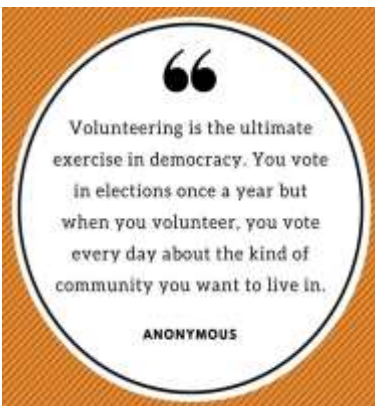

We had several nice displays last year and we are looking forward to this year. The top 2 selections will receive \$25 gift certificates to Alfonso's. Have displays up by December 16.

**There's still time to watch Steward Eagles play basketball!**

**Earlier this year, some of our Steward Eagles played Junior Tackle in Rochelle.**

Congratulations to the 7<sup>th</sup> grade team who finished second in their conference. Jack Tarvestad (#66) and Jack Pavlak (#89) played on that team. Congratulations to the 5<sup>th</sup> grade who won their conference title. Steward Eagle Bryson Wells (#40) was on that team.

**Several families rented the park pavilion over the summer.** What a good way to entertain. There's plenty of room and playground equipment. Here is the Brown family celebrating Madlyn's first

birthday with style.

**Let's practice thoughtfulness and safety when operating snowmobiles in town.** The complete Village ordinance can be found on our webpage [stewardil.com](http://stewardil.com), Sec 62-121 through 128. Licensed drivers may operate them and they should use the most direct route to leave town or come back home.

Keep speeds under 15mph and operate on the far right and only between 8:00 AM and midnight. Thank you! Have fun!
