Also when signing up to run it's your own word verifying not being a convicted felon. This information is not checked by the circuit clerk. It can be checked on Lee county website or by calling State police to check. Board member asks Mr. Russ Crull what constitutes proof of conviction of felony and can there rehabilitation. The State and County website would be the most reliable check. Needs to be a certified copy that can be obtained at the Circuit Clerk's Office for \$15 showing conviction on official paper. Les B. questions Mr. Crull on residency. Can trustee temporarily be removed from residence but not disqualified from board? Mr. Crull read intention and there are not set cases available that says "x" amount of days available. It would be a case by case decision for eligibility because it doesn't state the amount of days can be temporarily gone. Mr. Crull possibly looking into this further.
